DIRECTIONS

PLEASE NOTE:

Access to Manor Abbey Stadium is from the west-bound side of the A456 only.

If competitors are able to car-share, this would be much appreciated as the car parking is limited.

There are roadworks on the M5 between J1 and J2 with speed restrictions.

Take extra care when exiting the stadium - left turn only and be mindful of fast traffic from the right as visibility is quite poor.

By bus

There are regular services by the No.9 bus to and from Birmingham. The bus-stops are 100m past the entrance to stadium (west-bound) and directly opposite (east-bound) and both halts are called "Manor Way Sports Ground".

By train

Both Cradley Heath (3miles) and Old Hill (2 miles) are served by regular trains. Cradley Heath has a bus station and taxi rank.

By car

From M5 J3 head west on the A456 signposted Kidderminster. After 1000m, pass through traffic lights with fuel station on left and derelict Black Horse pub. A farm entrance is opposite Sandvik and 180m after this is the entrance into Manor Abbey Stadium.

From the A456 west, turn left at the Audi garage then right to double-back across traffic lights, then as above. Please park as directed.
