Dear team managers/officials

Rugby&Northampton have the pleasure of inviting you to the final Birmingham league fixture of the season on the 10th February 2024.It will be at our usual course Abington Park Northampton, a permit has been applied for from England Athletics and a risk assessment for the course has been completed.

Please find attached a map of course being used for the division 1 Birmingham league fixture. The course is fast undulating parkland for those who have not done it before and is suitable for spikes .The course will be 4 laps of the black routes as per attached course map.

The race headquarters will be based at the park there are no changing rooms. We have a mobile caterer for refreshments; there is a café on the other side of the park about 600m from the course also.
Please collect your numbers from your team manager who will sort your declarations with league secretary prior to start of race. A short while after race is finished the League secretary will announce the end of season awards.
The postcode is NN3 3AD.
I would use junction 15 off MI as this avoid the town traffic.

The start is at 2.30pm. Limited Parking is available around the park so please car share as much as possible. Please be mindful and considerate of other park users. Portable Loos are available and please as normal be considerate to other park users. There will be spaces for club tents to be put up as directed on day.

I look forward to seeing you there and feel free to contact me with any queries,

VINCE CARROLL
Rugby &Northampton President
