Birmingham Cross Country League Division 1
Newbold Comyn, Leamington
Saturday 8th February 2025

Travel Directions and Car Parking

We look forward to welcoming you to Newbold Comyn for the final division one fixture of the season

The Women's league will not be running with us so there is only one race on the day which will start at 2.30pm. Car Parking will be next to the course and close to the Pavilion which is the race HQ.

Location: Newbold Comyn Park, Newbold Terrace East, Leamington Spa, Warwickshire

Newbold Comyn is situated at the end of Newbold Terrace East, near the centre of Leamington Spa. If using a Sat Nav then please put into the machine "NEWBOLD TERRACE EAST and do not put in a post code as this will take you away from the event. You could also use what3words ///relax.gravel.feels to get to the car park.

Parking: Once in Newbold Terrace East drive to the end of the road and enter Newbold Comyn. Drive past the Leisure Centre on your right and just before the second barrier across the road the car park entrance will be on the left. Please note that users of the Comyn will also be using this car park so please park in the marked bays and do not block in any vehicles. This car park is only 400 metres from the club tents area.

Registration will be in the pavilion and each club will be given a bin bag for rubbish. At the end of the event please take this bag with you and dispose of it appropriately.

It would help considerably if clubs could ask their athletes to share cars. If any club is planning to use a coach, please contact Noel Butler on noel.butler31@gmail.com.

Leamington Spa Rail Station is a 30 minutes' walk from Newbold Comyn. Turn left out of the station onto High Street that goes though the traffic lights, at the next lights under railway bridge turn left onto Bath Street. Walk up the Parade past the Royal Pump rooms and turn right at the mini roundabout into Newbold Terrace walk to the end and though the lights into Newbold Terrace East go past the Leisure centre follow this path until you reach the event site.
